# What exactly in BinternX Program?

## Assess Your Potential

Ready to kickstart your career? Take our eligibility test to see if you're a perfect fit for the BinternX journey. Success here opens the door to a transformative industrial training and internship experience in your chosen field.

## Industrial Training (15 days)

The journey begins with a 15-day intensive industrial training tailored to your chosen field – be it HR, Graphic Design, Full Stack Development, Accountancy, Animation Design, Digital Marketing, or Sales Marketing. Immerse yourself in practical knowledge, gain insights from industry experts, and lay the foundation for a successful career.

## Apply Your Skills in the Real World (30 days)

Following the training, dive into a 30-day industrial internship specific to your field. Here, you'll apply your skills to real-world scenarios, work on live projects, and gain invaluable experience that sets you apart in the job market.

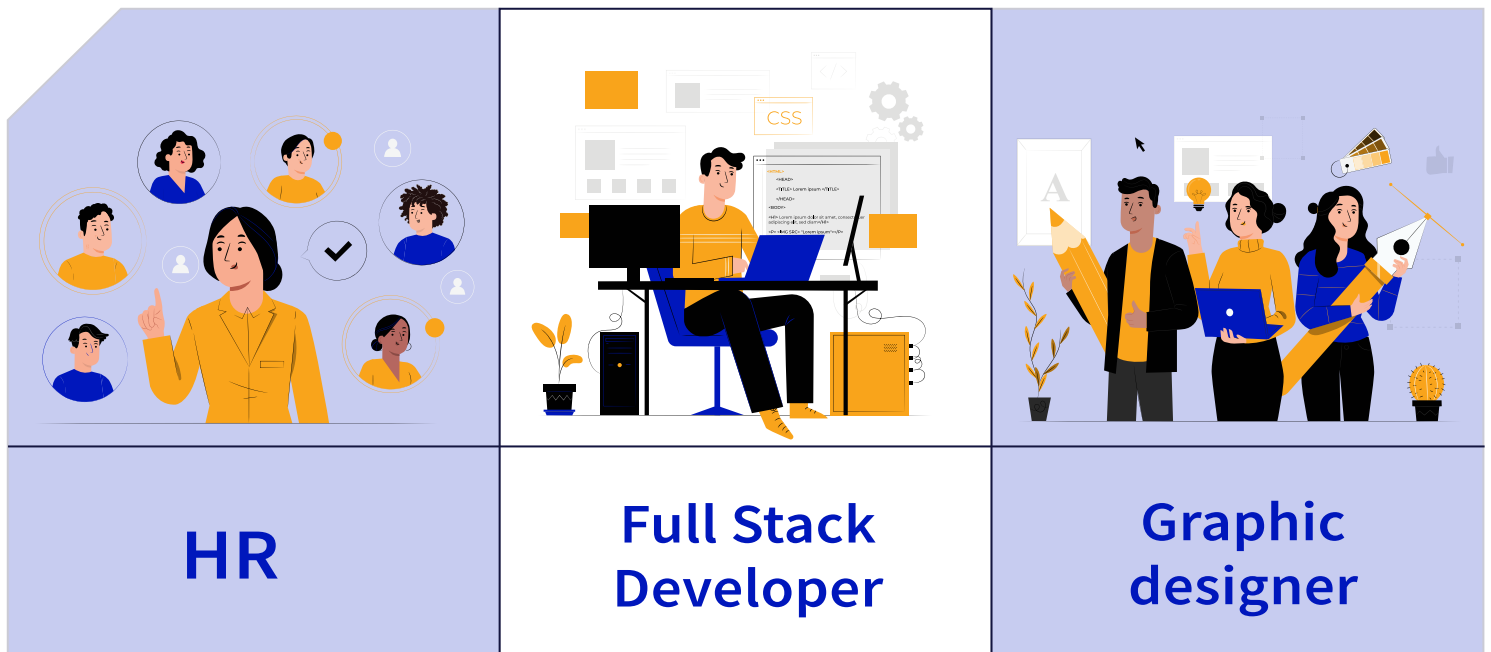

## Sharpen Your Interview Skills (3 days)

The next step involves a 3-day session dedicated to exam preparation and mock interviews. Our mentors provide personalized guidance, ensuring you shine in real-world scenarios and interviews related to your specific industry.

# Welcome to Your Future

Dive into a world of possibilities with BinternX, where we transform eager minds into industry-ready professionals across seven dynamic fields.

# TOP 5 Benefits of remote internships

801,8 FLOOR, EVEREST ANGAN INFOTECH PARK II 32QG-RJJ,  
MIDC (INDUSTRIAL AREA, PAWNE, NAVI MUMBAI 400705)

✧ what exactly the industrial program is?

ANS- This is 45 days Industrial program. here we provide internship + exam + valid certificate and interview preparation. Recommend a job offer in good company enhancing your skill for your career purpose.

✧ Is this paid Industrial Program or free?

Ans- we have two types of industrial program paid and free. First, we conduct a selection test if you are selected then you have to choose program type if you selected paid program then you have to pay rs.2500/- only which is exam fees and mentorship fess. If you select free program you didn't do any exam we can't provide mentorship.

✧ What's the benefit of this industrial program?

Ans- in this program we will help to enhance your skills and growth. The work has been done from you in this program that also helpful for your career and future job opportunities.

✧ This program is work from home or work from office?

Ans- both work mode is available. For work from office mode you have to come to the office once in a week for project submission and mentorship guidance.

✦ Is this trustworthy?

Ans- YES., You can trust us if you have any doubts you are always welcome to our office. Our Address - Everest angan infotech park 8th floor office no. 801 turbhe MIDC industrial area navi Mumbai 400705

✦ You provide the job after this Program?

Ans- Here we help for your interview preparation. And recommend you in good companies.

✦ if I am not selected that company which you referred?

Ans - we conduct another interview preparation session for you until you selected. (for the 6 months)

✦ What if I didn't get the job after interview preparation session?

Ans- we will analysis the reason of not selected for the job. If reason is valid as per norms we will refund your total amount.

✦ What's the time schedule?

Ans- our internship program time schedule is alternative days 2 or 3 days in a week online class. You have to visit the office once in a week for project submission.

✦ Is there a mentorship program for interns or opportunities to work closely with experienced professionals?

Ans- We encourage mentorship, and you'll have the opportunity to work closely with mentors or experienced team members. They will provide guidance and support throughout your industrial Program.

✦ Are there opportunities for professional development and learning within the Industrial Program?

Ans- Yes, we prioritize the growth of our interns. You'll have access to enhance your skills in areas like leadership, personality development, skill and knowledge development etc.
